

We ask for parents and carers support in helping to maintain a high standard of uniform. The uniform at STA is not just about all looking the same; it is about our young people presenting themselves positively to those around them.

A student who wears our uniform correctly is giving a clear message that they value being part of the STA family. They show they are part of our school and everything it stands for; they want the best for themselves and they are aspirational about their futures. We hope you agree our uniform is smart, simple and affordable. Student can choose to get this right and start their day in a positive way.

All items of uniform and PE kit should be named.
