3. Definitions

a. **Safeguarding** and promoting the welfare of children means:

- Protecting children from maltreatment.
- Preventing impairment of children's health or development (including mental health).
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care.
- Taking action to enable all children to have the best outcomes.

Safeguarding is a term which is pre-emptive and involves steps taken to prevent children from harm.

b. **Child Protection** means:

- i. Activities undertaken to prevent children suffering or being likely to suffer significant harm.
- ii. Activities undertaken to ensure that where there has been harm in the past, the school does everything it can to ensure that the harm is never repeated.

Child Protection is a part of Safeguarding, the latter being an umbrella term.

c. **Abuse is:**

A form of maltreatment of a child and may involve inflicting harm or failing to prevent harm.

Appendix 1 explains the different types of abuse.

d. Neglect is:

A form of abuse and is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the impairment of the child's health or development. Appendix 1 defines neglect in more detail.

4. Equality Statement

Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it. We are committed to anti-discriminatory practice and recognise children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.

- We give special consideration to children who:
- Have special educational needs or disabilities.
- Are looked after children (LAC).
- Are young carers.
- May experience discrimination due to their race, ethnicity, religion, gender identification or sexuality.
- Have English as an additional language.
- Are known to be living in challenging situations e.g. temporary accommodation or where there are issues such as substance abuse or domestic violence.
- Are at risk of FGM, sexual exploitation, forced marriage or radicalisation.
